In the Matter of:

PETITION OF BELLSOUTH)	
TELECOMMUNICATIONS, INC. FOR)	CASE NO.
PRESUMPTIVE VALIDITY OF TARIFF FILINGS)	2002-00276

O R D E R

AT&T Communications of the South Central States, LLC and TCG Ohio ("AT&T") requests an extension of time in which to file post hearing briefs in this matter. BellSouth Telecommunications, Inc. does not oppose the request. In support of its motion, AT&T asserts that, due to significant restructuring, the attorney responsible for the hearing held September 15, 2004 is leaving AT&T. This matter has been reassigned to local counsel.

The Commission, finding good cause and having been otherwise sufficiently advised, HEREBY ORDERS that the post hearing briefs in this proceeding are due November 17, 2004.

Done at Frankfort, Kentucky, this 4th day of November, 2004.

By the Commission

Commissioner W. Gregory Coker did not participate in the deliberations or decision concerning this case.
